10th Annual ECS Memorial Golf Tournament

On January 27, 2004, my 2 year old nephew, Eric Carl Sjoblom, was diagnosed with stage IV of Neuroblastoma. This disease is an extremely aggressive form of cancer that attacks the sympathetic nervous system, the nerve network throughout the body that carries messages from the brain. After a courageous three week fight, Eric lost his battle and passed away on Valentine's Day 2004.

In his memory, the ECS Memorial Golf Tournament was created to generate money for The Tomorrow Fund at Hasbro Children's Hospital in Providence, RI. Our family benefited enormously, both financially and emotionally, from The Tomorrow Fund during and after Eric's sickness. In turn, we wanted to give back and help other families fighting childhood cancer. The response from our past participants has been overwhelmingly impressive, and to date we have donated over \$122,000 to The Tomorrow Fund.

Once again, we are writing to ask for your help. This year's tournament will be held on Friday, June 28th at the Foster Country Club in Foster, RI. To offset the costs of the tournament we are calling on the generosity of people like you. You may assist in a number of ways: 1.) You can golf in the tournament or join us for the dinner and raffle only; 2.) For \$100, you can purchase a tee-sign sponsorship which allows your business logo or personal message to be displayed on one of the 18 tee boxes, in our tournament program and on our website; 3.) You may donate an item toward our raffle, and finally; 4.) You may make a monetary donation. All donations and sponsorships will be acknowledged in our tournament program and on our website. Checks should be made payable to the "ECS Memorial Fund."

Please respond by June 15th, 2013 to:
